Well-Wishers & Ads

The past few years we have spent at Bourne High School will always stand out in our memories. It is my hope that we have succeeded in making this book an enjoyable reminder of all "The Times", both good and bad, happy and sad.

As in the past years, we owe Mrs. Doucetre a special thanks. She gave countless hours of her time to make our yearbook the best! Many thanks to all those who have put their time, effort and dedication into getting this yearbook together.

To the **Class of 1994** I wish everyone success and happiness. May all your hopes and dreams come true.

## **DEDICATION**

MATTHEW AUSTIN SCHUCK

December 17, 1976 To September 11, 1992 15 Years, 8 Months, And 25 Days.

In all my years, yau've always been there. And losing you was the hardest thing I ever did. But you haven't slipped away completely. Yaur memaries will never die. I believe that life gaes on even after life. Please focus on the future. But when I need you please light a star far me. Because without the stars, the night is empty. And without aur memories, my heart will weep. But knawing that we shared our dreams, My life will never be empty.

Please Lard,
Bring him jay,
Bring him peace,
Take him hame!
We lave yau, Marr!

-Karyn Schuck, '93

Lare on the night of September 11, 1992, a tragic car accident rook the life of Matthew Austin Schuck. Matt was a well known and loved member of the class of 1994, and his classmates all miss him terribly.

Matt's family includes his mother and srepfather, Mr. and Mrs. Alan Besse, his older brother Jason, brother Steve stepbrother Neil, and srepsister Paige

While he was a freshman, Mart participated in football with his brother Jay. As high school went on, however, Mart became better known for carrying his skateboard around

Matr will not be forgotten once the class of '94 graduates from Bourne High. Because of the many memories they have of him, the students will take Matr with them in their hearts wherever they go. Many relive the good times they shared

with him through pictures, words of songs, and other trivial tokens that bring back memories of the person whom they miss so much Those who knew him will continue to miss the time they spent tagether; but eventually they will let him go peacefully, knowing that Matt will forever be looking down an us from the Hands of the Lord.

We love you, Matt!

## Junior Prom

The Class of 1994 held their Jr. Prom on May 7, 1993 at the New Seabury Country Club. The night started at 7:00 p.m. and ended at 11:00, with Court being announced at 10:00. Armando Feliciano and Meg McKeon were crowned King and Queen. They were joined by their court to dance to one of the two prom songs, "In Your Eyes" by Peter Gabriel. Later everyone danced to the second song "Alive" by Pearl Jam. The night was a big success thanks to Prom Chair-person Beth Hunt, her committee and everyone who attended.

# Varsity & JV Football

he 1993 season was truly a year of agony and ecstasy. In the first half of the year the team stood at three wins and two losses. The wins were over West Bridgewater, a great Homecoming victory against a strong New Bedford Voke team and a hard fought victory over the "Falcons" of Dighton-Rehoboth. During this stretch the team was lead by the passing of Senior Quarterback Anthony Maglio and the hard running of Senior Halfback Mike McAllister. Defensive standouts were Senior Captains Jon Hartman and Armando Feliciono.

The next few games saw the Canalmen fail against four League rivals; Seekonk, Apponequet, Case and Fairhaven. During this slide a bright spot was the play of the Offensive Line anchored by three-year starters Captain Langston Knipler and Lonnie Houde and two-year starters Jamie Matta, Sean Purker and Kyle Robson.

Of Course the ecstasy was the Canalmen's stunning upset of Thanksgiving arch-rival Wareham. In a "perfect game" unheralded Seniors Jesse Branagan, Jim Zysek and Jason Audetre inspired the team to a resounding thumping of the Vikings. It was a magnificent way to close out the season and say goodbye to a wonderful group of Seniors!

## The Canalmen Dominate Wareham, Hand The Visitors An 18-0 Loss

**THANKSGIVING** 

The Bourne High School football team played the unruly host on their Thanksgiving morning clash with the Wareham Vikings, hammering the visitors 18-0 in front of a happy and enthusiastic home crowd.

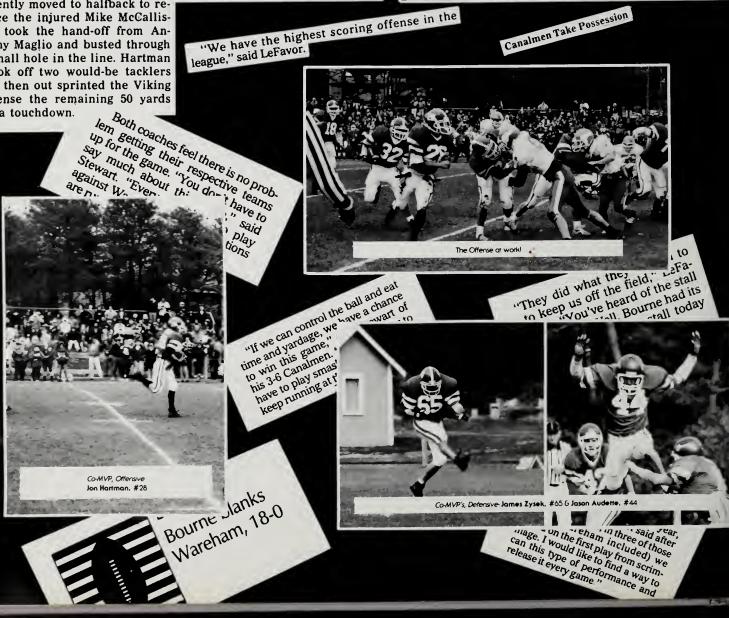

The Canalmen, who finished the year 4-6, did just what Coach Pete Stewart asked them to, controlling the tempo of the contest with an outstanding rushing attack and a swarming and inspired defense. Bourne's game plan effectively held the Vikings runand-shoot offense in check, frustrating Wareham and forcing them to finish the season with four consecutive losses.

The game started out in perfect fashion for Bourne. After winning the coin toss, the Canalmen started out on their own 43 yardline. Senior captain Jon Hartman. recently moved to halfback to replace the injured Mike McCallister, took the hand-off from Anthony Maglio and busted through a small hole in the line. Hartman shook off two would-be tacklers and then out sprinted the Viking defense the remaining 50 yards for a touchdown.

It was a great win for Bourne, and it marks the second consecutive victory over their arch rivals from across the bridge. Coach Stewart was very pleased with the win and said, "The kids played great. We went right at them and just bashed away. We were fantastic on both sides of the ball, and the seniors deserved to go out on a winning note."

Standouts for the Canalmen included Hartman, Feliciano(29-181 yards), Audette, and the entire offensive line. The Canalmen out gained their foes 346 to 90, holding the confident Vikings to their worst offensive output of the season. All in all, it was a great effort put forth by the entire Bourne team, and certainly will allow them to hold the bragging rights in the big game for another 365 days.

## Football Cheerleaders

In June 1993, the **Football Cheerleading Squad** was chosen. The group, consisting of 6 Seniors, 6 Juniors and 1 Sophomore began practicing in mid-July and continued throughout the summer.

On July 29th the girls added a new twist to their practices when they attended the *Elite Cheerleading Camp* where they learned new pyramids, new cheers and a dance routine. The '93 squad was the first ever to participate in this kind of camp, and the girls felt that it greatly improved their performances.

Another new addition to this year's squad was the beautiful new uniforms donated by the *Pigskin Club*. All af the cheerleaders would like to take this opportunity to thank the Club for all that they do to help BHS's football pragram.

hey also wish to thank their advisor, *Mrs. Salamone*, for all of her hard work, time, and dedication to the group. Overall, this year's Cheeleaders enjoyed a successful season.

## Volleyball

he varsity volleyball ream had a great season. The ream accomplished many great rhings and did well all season. Even though the reams in their conference were very competitive, they thought positively and ended with a great record. Every player worked hard to obtain all their goals and worked well rogether to reach their ream goals.

The ream consisted of nine players with four being seniors. Their conference record was 11-3 and their overall record was 15-3. This is the best record our volleyball ream has had since anyone can remember. The ream made it to the States easily, needing to win eleven our of the last eighteen games they played to qualify. They beat the first two reams and then lost in the semi-finals to Case. Even though they lost, it was a 3-2 loss which is a great accomplishment.

David Moore, as his fourth year coaching, has done a great job with the team. Because of his great job, the team has improved greatly in the last couple of years and they have become a big threat in the future in our conference.

## Varsity Golf

ourne Golf finished off another solid season, continuing their winning tradition. In the beginning of the year about twenty players battled for the rop spots, known as the "Varsity Eight". Through the season they played in twenty marches and participated in States. They topped it all off finishing in third place in the SCC.

The ream was coached by Peter Stephen, who has been the Golf coach for sixteen years. Describing the season he said, "Ar first glance the kids and I were disappointed about not winning another championship. In actuality though, we had made the States for the fifth year in a row, won seventy percent of our matches and ended with a 13-6-1 record. In a couple of matches we were one swing away from reversing the outcome of the championship. Every year it comes down to one or two key matches at the end of the season, and this year the breaks didn't go our way."

Ar their Fall Banquer the following awards were announced: Mark Loud rook the ream's Most Improved Award, while Dan Fox got Sportsmanship. Lastly, the team's Most Valuable Player went to Jared Molis, who was one of the many Seniors leaving. The ream has an excellent outlook for next year, with many fine players returning. - J. ## Field Hockey

he Canalwomen had a rough season this year, finishing with an overall record of 4-12-2. However, these numbers do not give an accurate accounting of how much the players improved their ability to play as a team: they only lost two games by more than one goal and had five shurouts. Despire all their effort, the girls did not come out on top, as they deserved to.

During the latter part of the season, the team having endured many heartbreaking 0-1 losses, several of the seniors hosted a motivational ceremony, with the entire varsity and JV reams. Team members renewed their spirit and dedication to the season with inspirational words, poems, and songs. The following day, the team roared back by upsetting Case 1-0. Soon after, they beat Falmouth and then closed out the season with a come-from-behind victory over Fairhaven.

Throughout the season, the squad proved that the Bourne Field Hockey program is steadily improving. While seven seniors are graduating, there is a good nucleus of underclassmen ready to fill in the vacated slots next season, as the JV had a winning record.

Individual team members were recognized when Michelle Cahoon and Jaime Wimmer received SCC honorable mentions, and Becky Slade was named to the All SCC Team for the second year. - B. Slade

## Cross Country

he word this year was "preparedness" far the Cross Country team. They started conditioning in early August and it paid off, they ran their way to a very successful season. This years schedule cansisted of 8 meets. The boys posted a very impressive 6-2 record, and they placed third at their league meet. Junior, Shaun Alexander was named as the Conference's top runner for the 1993 season.

This was the first time in four years that BHS has assembled a Girl's Cross Country team. Hawever, they managed to put together a 2-6 record and faired well in their league meet, placing 5th, beating out many other teams they had lost to in the regular season.

When asked, Coach Gerry Czarnetzki, had this to say about his team, "Earlier this season aur goal was to finish in the tap three in our league and to make one the top five reams in the State. I feel we have achieved aur goals this season and look forward to sharing this experience of success with any students who wish to join our team in the future." - J. MacDougall

aptains Scatt Crossman, Lauis Sassone and Rob Martensen described the begginning of their season by sayling, "We're warking real hord, but the pucks aren't bouncing aur way." Coached for the second year by Mr. Jim McMarraw, who was assisted by Mike Walsh and John Cinelli, the team began to pull it together soon. Scattie's leadership obilities shawed early when he scared two goals and two assists in the first Seekank gome and come through again in the Woreham game where he scored 1 goal and 1 assist.

Senior Frankie Cecchinelli's determination earned him 2 goals in a game that saw the Canalmen defeat last years Division III Champs, Dishop-Cannolly. Casey Pierce, another of the reams explosive veterons was sighted for the game trying goal he put in against non-Canference foe Nauser. That goal came with just 27 secands left in the game and the credit for the assist was awarded to Jacob Dortan. Jason Turner also scared a goal in this hard faught match.

This was a ream that was described as a defensively structured squad which was demanstrated in the game against Case where only 2 shats an net were allowed. Defensemen Erik Anderson and Rab Mortensen were heralded by Coach McMarraw far their hard wark an the ice, as was Lauis Sassone and goalie Mark Loud.

## **Hockey Cheerleaders**

he 1993-94 hockey cheerleading squad was one of the best groups ever. The squad consisted of 12 regular cheerleaders and one alternate. The girls worked hard throughout the season learning new cheers and perfecting old ones. Everyone really enjoyed cheering for the hockey ream which made the games and practices a lot of fun.

The five seniors on the squad, including Captains Liz Mullaney and Farrah Esip, agreed that they will miss cheering for the guys next year.

Due to an extra snowy winter, the Canal Cup competition was postponed until after February vacation. As usual, this game was the girls' favorite one to cheer for.

Thanks to a generous contribution from the Board & Blade Club in 1993, the cheerleaders wore brand new sweaters this season. The girls would like to thank the dub for their continued efforts to help our and their constant support. They also appreciate the great amount of time dedicated by Mrs. Becky Marsh who returned for her second season as cheerleading advisor. All of the seniors were sad to see the season come to an end.

## Boys' Basketball

his year's Boys' Basketball Team, which cansisted af ten seniars aut af the twelve players on the squad, was a tight group, having played together since their childhoad. The ream was coached along the way by Head Coach Mark Southworth and assisrants Don Ward and Thomas Norton and had the stability of having these same coaches with them over their years in BHS Haap. Southwarth, who coached the boys when they were freshmen also, saw his players develop and, when asked, characterized his ream as having a lot of depth and versatility.

Southwarth started ten different combinations of players, as everyane occepted and played aut their rales. The ream's key defensive players were Greg Carbone, Jan Hartman and David Duca, as Jamie Gendran and Adam Amaral were loaked upon ra utilize their height under the haap. Paint Guards Jason Schuck and Steve Tomlinson ran the affense far the Canalmen as the ream relyed on the autside shaaring of Jared Malis, Dan Fisher, Dan Fax, Brendan Lachance and Eddie Marse.

A major highlight in the seasan was the team's early 82-79 victory aver highly regarded Carver in the Corver Taurnament. One maral victory occurred when the Canalmen last 24-22 in a very strategic game against Apponequet, who was ranked 2nd in Division II in the State this year.

Coach Southwarth had this to say raward the end of the season: "These guys were more than a team; they started as a graup of friends who learned to play rhe game ragether. They grew and developed aver rhe years as teammares and clase buddies and become fine baskerboll players along the way." - Becky

## Girls' Basketball

Pruce Gendron returned for his sixth year as Head Coach of the Girls' Baskerball Team. Assisting him at Varsity practices and coaching the JV Team was Scott Ashworth, who also helped the BHS Swish Club in bringing the first ever "Wrestlemania" to Bourne! (A great new Fundraiser!)

Thirreen players, including 7 Seniors made up the '93-'94 ream. At 6'0'', Sr. Center Jen Ray pravided the ream with strong rebounding and post-position play under the basker, while Srs. Becca Haugan and Michelle Cahoon also cantributed to the teams height. Last years' MVP, Jr. Kelly Berger continued in her leadership position as she ran the paint, utilizing her ball-handling, shooting and possing skills. Helping ra bring the ball-handling, shooting and possing skills. Helping ra bring the ball-handling shooting and possing skills. Helping ra bring the ball up the caurt and run the offense were Lari Gendron and Becky Slade. Lari was a key player with passing the ball inside and shooting. Becky was the team's hustler. Adding greatly to the reams' defensive pressure were Paula Adams and Patti Dudley. Their aggressiveness always kept the apposition in check. We also can't forget to mention Freshman Heather Chase wha, with her shooting skills and quick hands, led the team in steals.

This years' ream had a lot of spirit and its ralents were show-cased when they defeated same stiff competition in the *Corver Christmas Tournament* to bring home Bourne's first-ever Champianship traphy in that match. - Becky Slade

## **Basketball Cheerleaders**

he 1993-94 Basketball Cheerleading season was an exciring season. Sixteen girls made the squad, which enabled the girls to do more challenging mounts and dance routines. The girls also received long-awaired new uniforms which they worked hard to help earn money for. They helped sell ads in the program book which the BHS Swish Club sponsors every year.

Throughour the season, the cheerleaders became more confident and determined, which led to better performances on and off the court. The squad was lead by caprains Meghan Flaherty, Beth Hunt and five other seniors. Those seniors were sad to cheer for their last "Hoop" game but they know that the many juniors on the squad will do their best next year to cheer on the new ream.

This years advisor, *Tammy Thompson*, returned for her second year of coaching and at the end of the season helped the squad prepare for the Annual Competition. The girls were very proud of their performances this year and want to wish the best of luck to next years cheerleading team. - Berh Hunt

(Ed. nate - Due to deadlines, the Spring Sports articles were written before the season began. Therefore, these articles are from an autlook point of view, rather than reparting events.)

**Bock!** After several near misses, the Canalmen broke through the post-season barrier in '93, only to lose a 1-0 heartbreaker in the opening round to Hanover. The desire to get bock to the MIAA Tournament and take it a step further fueled the burners for the '94 team.

Eight Varsity players returned, several in starting roles. '93 upstart Brendon Lachance, who went 3-0 down the stretch, including the MIAA clincher over ORR, led the mound corps into the SCC buzz saw. Occassional '93 starter and late closer, Mando Feliciano backed up Lachance. Other Seniors of noteworthy mention were Anthony Maglio, ever-durable defensive rock, who anchored the defense in his 3rd Varsity campaign behind the plate. Also, Dan Fox (2B) steadied the infielders with his flawless play. Bill Lodge, Jesse Branagan (on the DL in '93) and Pat Healey completed the list of seniors whose contributions to the ream will be missed next year.

Prior to the season Caach McNee sighted the ream's strengths as their overall speed and chemistry, while he hoped the team would have the pirching depth, power and defense to come together for the Canalmen to take a run at the SCC perennial powers and return to the MIAA "Post-Season Prom". - (Thanks, Coach McNee!)

s the 1994 Softball Season approached, the outlook was hopeful, as the team had only lost 3 players from the starting line-up. Coach Gendron and his assistant, Dana Leach, spent the pre-season developing a strong nucleus of returning players, stressing the importance of team dedication.

The team was lead by six seniors: Lori Gendron, Paula Adams, Becky Slade, Patti Dudley, Karen Fernandez and Becca Neff. Lori, the returning shortstop, was the team's strongest infielder and an excellent contact hitter. Paula rook the hill for a 2nd year, after improving her pitching skills at Softball Camp. Becky worked hard behind the plate and could be counted on for steady hitting. Three versatile players, Patti, Becca and Karen were called upon to play defensively in the outfield and all added to the offense from the plate.

The Canalwomen played in the very competitive SCC and, as in past years, found their toughest opposition against the teams from D-R, Apponequet and Case.

We hope that the developmental ourlook continues to grow for next year's team as they will see many returning players to strengthen the program such as Soph. pircher Lisa Sorenti and Jr. infielder Andi Cannon. Good Luck next season! - Becky Slade

#### **BOYS' TENNIS**

aving lost only two seniors from last year's successful ream, the outlook for rhe 1994 season was very positive. Looking to hold on to his 1st singles status was lost year's MVP, Jr. Paul Silva. Right on his heels was Sr. Jim Berry, who worked hard for most of last year at 2nd singles. Also returning were Jr. Pat Urban and Soph. Ryan Pierce, two sluggers who made major contributions to last year's success. As an added bonus, we had returning from a 2-yr. absence (off-Cape schooling) Sr. Cosey Pierce, who started at 3rd singles 3 years ago as a freshman. With both depth and experience we started the '94 season with definite high hopes for a big season. - Coach Thomas

#### **GIRLS' TENNIS**

Looking ahead to the '94 rennis season, Coach Srella predicted a "building year". With the ream consisting mostly of Juniors, Mr. Stella planned to strengthen the players who would be moving up to fill ream positions. Jr. Kelly Berger advanced to the ream's rop position, while Kerri Lyons and Kara Desrosiers both Juniors, were promoted to the top doubles spot.

Mr. Stella hopes that freshmen, as well as 8th groders who have played tennis will come out for the ream, enabling him to develope a stronger ream over the next few years. - Liz Mullaney

## Track & Field

A new track and an exciting outlook! The track team took to the fields: running, jumping and throwing as each seasan presents new opportunities to excel and improve on both personal and team records. This year's team started with the stable base of the entire coaching stoff returning from lost year. Leading the girls' team was Cooch Uno Williams, assisting in the track program was Perer Sompson with Cooch Gerry Czornetski coordinating the program ance again.

The Canalmen had a right core of returning veterans who expected to imprave on last years 5-4 boys' ream record and 1-9 girls' ream. The bays hoped to finish the season in the top half of their Conference, while the girls' goal was to shaw steady improvement. Seniors (who we try to mention in these orticles - Ed.) on the teams included: Mike McAllister, Jim Zysek, and Gil Walsh in sprinting events; Michelle Cahaan, hurdling; Rachel Alexander, Sean Parker, Jim Matta, Matt Johnson, Nate Ballentine, and Jason Hall in vorious thrawing events (discus, shotput, or javelin); Gil Walsh in triple jump; and Jon Hartman and Joe Motto in pale vaulting competition.

Each year, the team seems to graw stronger - this year was no exception. Coach Czar urges anyone who has the desire to better himself to come out for this program. - (Thonks, Cooch Czor - Ed.)

### Drama Club

n Sunday, Feb. 13, the Bourne High Drama Club participated in the Massachusetts High School Drama Guild Festival, an annual theatrical campetition. They performed the play "The Real Inspector Hound", and competed against six other regional schools. The Bourne students performed well, but did nat advance to the semi-finals.

At crunch time the actors and stage crew were nervaus, but everything went well with the production. Later in the day there was an awards ceremony in which **Amy Anderson** and **Paul Silva** received All-Star Cast Awards for the roles of Mrs. Drudge and Higgs, respectively.

When asked about the Festival, the BHS Drama Club felt that the day was exciting and wanted to express their thanks to their Director, **Laura Garner**, for all of her help. - *T. Jason Hall*

# And Now . . . The Faculty

Despite the large cut of faculty members in 1991, the reachers who stayed at Bourne High School have done a superb job of keeping the show together! Students were upset at the sudden cutback in caurse selections when they began choosing classes for the 1991-92 school year. Yet the reachers managed to keep the program running strong, even though they were suddenly bombarded with nearly twice the normal number of students in each class. Furthermore, when the accreditation of Bourne High became an issue, the teachers remained dedicated and fought to reaffirm Bourne as an accredited high school.

Although students may not always shaw their appreciation to the faculty, they would like to thank their reachers for helping, educating, and sticking with them through these tough four years. The students know that they could not have come this far without teachers as devoted as the faculty at BHS.

IN MEMORIAM

### DA VID MA YO DUCA

March 4, 1977 - May 30, 1994

#### - A LETTER OF RECOMMENDATION -

Dear God

I believe that this letter of recommendation for David M. Duca is a bit superfluous. He's been around you now for a few days, and no doubt knowing David, he's learning the ropes pretty fast. That's one of Dave's strengths; he's a quick study. He's also a fiercely loyal friend; one who'll stand by someone in good times and bad.

Do you have pick-up games of baskerball up there? Watch out because pretty soon Duca will be calling the shots. What about baseball? Move over guys . . . Dave Duca's arrived.

You know you're really lucky, God, because Duca will take complete charge of your sports program. He'll psych up the fans, play his heart out, and be the team's best cheerleader (aside from Meghan), a dynamo all rolled up in one package.

Maybe he'll need a secretary to touch up the finer points of grammar in his dictation, but hey, you'll never find anyone with as much energy and dedication who'll give you so much in return.

Should you need any other references just talk to Mayo and Donna, or Mike and Nicole, or Lewlew, Eric, Kara . . . the list goes on. You've got a real winner in Dave Duca, God. He may drive you a bit crazy from time to time, but hey . . . trust me; he'll grow on you.

Sleep well my friend.
